

*The following questions are for you to ponder for your 2nd year interview. These are not to be submitted in writing as they will be discussed in the interview.*

## FIRST YEAR

### Reflection

The following questions are aimed to help process & summarize the highlights from this last year.

What has been the most significant area of spiritual growth this year?  
Please explain what it is and how it has changed your day to day life.

What has been the most significant area of spiritual growth this year?  
Please explain what it is and how it has changed your day to day life.  
What has been the most significant area of emotional growth this year?  
Please explain what it is and how it has changed your day to day life.

What has been the most significant area of practical growth this year?  
Please explain what it is and how it has changed your day to day life.  
(practically can mean anything from overcoming an addiction/  
relationship growth/ time management/ improved communication  
skills etc.)

What is one facet of your identity in Christ where you found  
breakthrough? What specifically did the Lord reveal to you about who  
you are? How did the view of yourself change?

## FIRST YEAR

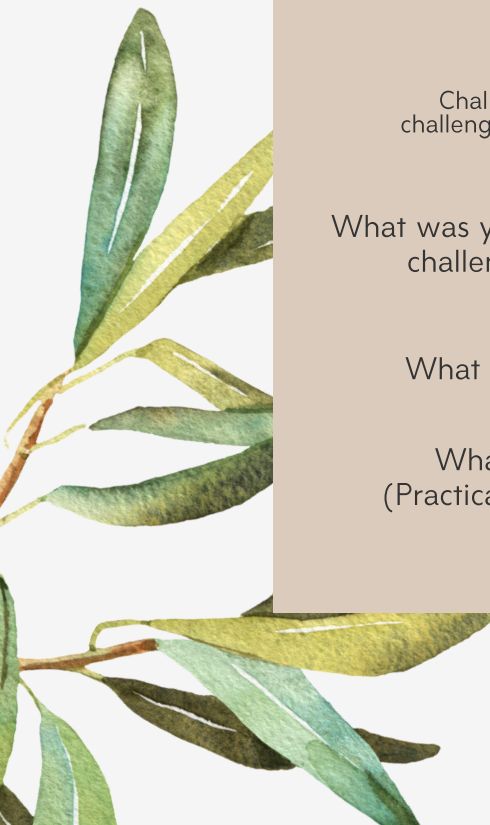

### Challenges

Challenges create opportunities for growth, this section is about the  
challenges this year brought and your journey. You may still be processing  
through some of these, please share that process with us.

What was your greatest challenge emotionally this year? What did this  
challenge reveal about the nature of God and who you are?

What was your greatest challenge theologically this year?

What was your greatest challenge practically this year?  
(Practically can mean paying for tuition/ family problems/ time  
management/ completing the reading etc.)

## SECOND YEAR

Why & Expectations

Is there a strong WHY inside you for wanting to do 2nd year? What is this?

What do you hope to gain from being a 2nd year student?

What do you think will be your greatest challenge in being a 2nd year student?

In your opinion, what way has 1st year been a foundation for you to be a 2nd year student?

Do you think you have gained enough mastery from the main themes and challenges in 1st year to step into a greater level of personal and spiritual challenges and growth?

What are you most excited for and looking forward to for 2nd year?

What do you believe you carry and will contribute to FHSSM as a 2nd year student?

REMINDER: These questions do not require full answers and are not to be submitted in writing. You will speak to each of these in your interview. Please think about if you have any specific questions about 2nd year; you can ask them during the interview.
